

Raising a new generation of women for the Kingdom

"Hear, O daughter, and consider, and incline your ear: forget your people and your father's house, and the King will desire your beauty. Since He is your Lord bow to Him." - Psalm 45:10-11

Dilemma

The dilemma of the older generations of women is that their gifts, abilities, talents and callings have been, unfortunately, held back by the Church limiting women. This has caused many women to be 'redundant' in Church, and has been a major setback to God's kingdom. If there is no crucial change, a new generation of younger women will grow up not fully knowing their worth and capabilities in God. They will operate in the same mindset as the past generations and not make much of a difference. Sad to say, this will continue to be a major setback to God's kingdom

Hope

However, there is light at the end of the tunnel and much change is, in fact, taking place! God is moving all over the world and is not only releasing women, He is also raising the next generation of women to serve Him! Many younger women are being influenced to rise up and make a difference. God is removing the limitations of culture, tradition, religion and prejudice! He is removing the barriers of fear, low self-esteem, depression and insecurity! God is setting women free, regardless of age, race and status, to worship and serve Him!

Y-WIT is a ministry aimed at empowering young women to find out who they are in Christ, helping them grow into a generation of strong mature women in tune with the Lord, and encouraging them to use their God-given gifts and abilities to impact the world with the Good News of Jesus Christ, in their own special way!

Vision

The next generation of Christian women restored, empowered, equipped and growing in their walk with God and service to Him

Young women rising up to bring transformation and reformation in their homes, communities, colleges, universities, workplaces, cities, nations and the world with the Gospel of Jesus Christ.

Purpose

The purpose of Y-WIT is to raise a new generation of young women who are passionate about Jesus Christ and who are bold and courageous to reach out to the lost.

Mandate

"To preach good tidings to the poor; to heal the broken-hearted, to proclaim liberty to the captives; and the opening of the prison to those who are bound; to proclaim the acceptable year of the Lord; to comfort all who mourn, to console those who mourn in Zion; to give them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness, that they may be called trees of righteousness, the planting of the Lord, that He may be glorified. – Isaiah 61: 1-3

Mission

"And they shall rebuild the old ruins, they shall raise up the former desolations, and they shall repair the ruined cities, the desolations of many generations"
