*"The Spirit of the Lord God is upon Me, because the Lord has anointed Me to preach good tidings to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to those who are bound; to proclaim the acceptable year of the Lord, and the day of vengeance of our God; to comfort all who mourn, to console those who mourn in Zion, to give them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness; that they may be called trees of righteousness, the planting of the Lord, that He may be glorified." And they shall rebuild the old ruins, they shall raise up the former desolations, and they shall repair the ruined cities, the desolations of many generations." [Isaiah 61:1-4]*

# The Journey of Women In Tune

## An Amazing Story Of God's Faithfulness

We are truly overwhelmed by the faithfulness of God!!! Tears of joy flow down our faces when we think of how far the LORD has brought us! Indeed, He who called us is faithful, who also has done it! [1 Thessalonians 5:24].

The purpose of this publication is to pay tribute to the LORD and set up a memorial to showcase what He has done with this ministry and how far He has brought us!

*“Come and see the works of God; He is awesome in His doing toward the sons of men... Come and hear, all you who fear God, and I will declare what He has done for my soul.”* [Psalm 66:5, 16]

### Beginning The Journey

By the leading of the Lord, WOMEN IN TUNE (WIT) was launched in London, United Kingdom, on 27th January 2002. Like the birth of our Lord Jesus Christ, ten people (including my husband Rev Cobby E Wallace and our two young children, Nobelle and Richard) gathered in our humble living room to witness this birthing!

The Lord had given a basic vision based on Isaiah 61:1-4, which we were to run with, and restore, raise and empower women to know, love and serve Jesus. Little did we know or anticipate how far the journey would take us and the challenges we would face on the way. We knew, however, that God had called us, was with us, and would not fail us.

As an apostolic ministry, the growth and expansion of WIT, since then, has been steady, effective, consistent, dynamic and unabated. This is because the focus of WIT has been on developing a firm relationship with Jesus Christ and building character, strength, integrity and excellence in women.

Actually, during the early years, our slogan was, “Women In Tune, Listening And Obeying.” With each passing year, the ministry is not only transforming lives and stirring up passion for the things of God in both women and men, but also, emerging and evolving into a powerful and effectual instrument in the Lord’s hand.

*“The LORD has done this, and it is marvellous in our eyes!”* [Zechariah 4:10]

Like Abraham, we took off, not quite knowing where the journey would take us, but confident that God would show us the way. Twenty years later, WIT has done over 100 missions, and has been launched in the Ghana, Cameroon, Uganda, Kenya, Nigeria and South Sudan. We have also run discipleship trainings in the Republic of Benin and Rwanda.

When the pandemic began, we were led by the Holy Spirit to re-strategize, and make more use of the internet. Our trainings, conferences and outreach online, through our website, social medial, Zoom, WhatsApp, YouTube and Podcast has extended beyond our imagination, and is touching the lives of thousands of women, men, families and churches in over 20 countries.

As you peruse this publication, we ask you to join us in thanking and praising God for His goodness and faithfulness to us and Women In Tune!

## Divine Longevity

An assured ground and longevity emanate from the quality of the seed sown regardless of the terrain. The fruits from such a tree gives credence to the quality, sustainability, and endurance throughout the years.

Christ Jesus grew stronger, bolder, incisive and distinct with the passing of time. Trials, tests, trauma, uncannily tricks by the enemy, notwithstanding, reinforces strength, conviction and boldness, commensurate with the apostolic calling and leadership extraordinaire of WOMEN IN TUNE.

“And Jesus grew in wisdom and stature, and in favour with God.” [Luke 2:52]

### The Prize

*I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus.* [Philippians 3:14]

To observe a boxer in the gym training and straining every muscle and sinew for a prize that is perishable, is humbling; but for what, a prize

that is worthless yet one cannot deny the sacrifice which stokes strength, garnered from pummeling the body to make it fit for purpose?

My Darling wife, Apostle Jennifer, has walked the gamut of difficulties, trials and challenges, yet the Christ in her shines ever brighter, stronger and assured, through such trials. Knowledge and wisdom deepen and adorn her by the day, in tandem with the office Christ Jesus has graced her with. The strength garnered has steered WOMEN IN TUNE, into an established ministry. It is without doubt that WIT is spearheading the emancipation of women from mediocrity into a force to be reckoned with; with truth, light and emancipation purely based on Christ's Jesus' heart and passion for women.

Apostle Jennifer's journey is an object lesson in endurance, patience and tenacity which acts as a conduit for excellence. Her outlook has always been if it's for Christ it has to exercise the riches within her to offer the best; nothing less! Such an outlook has over the years defined her love for the King of glory, Christ Jesus. Nothing for the cause of Christ is ever circumvented, but given a 'full on' commitment.

### REWARD

The reward for such unfettered commitment is breathtaking knowledge which is communicated with wisdom, zest and authority. Many who have experienced her ministry have always come up with one conclusion; the depth of knowledge and authority of exposition is indeed humbling and winsome! This is no surprise with the passion she harbours, especially in studying the word of God and intense prayer.

As the light of Christ Jesus illumines richly in her greater glory will go to Christ Jesus her master and Saviour.

This milestone of WIT is a rich manifestation of Apostle Jennifer's faithfulness, tenacity, humility and passion for Christ Jesus.

May Christ Jesus the King of glory be honoured in all of eternity for enriching His bride the Church with such an illuminate. AMEN.

## The Growth And Changes Have Been From Glory To Glory

Apostle Comfort Atem  
(Country Director  
WIT Cameroon)

Since the introduction of WOMEN IN TUNE in Cameroon, 2007, our lives have never been the same. It has been from one glory to another. In 2012 during our first WIT International Leadership Conference in Ghana, Cameroon was commissioned to launch out. A new phase of work began

WOMEN IN TUNE, a global army of women faithfully serving the Lord Jesus, has helped individual women, groups of women, families and communities to serve the Lord better and to grow to know Him. The growth and the changes have been from glory to glory, the weak among us are becoming visibly strong and bold. The transformed women took ownership of the vision and began reaching out to other women in their communities, churches and families. The ministry became a place of spiritual and physical refreshment, many women who came empty, now filled with the Holy Spirit and the word of God. As a result, they are now bold to propagate the gospel of Christ and are now representing the kingdom of God in their various nook and crannies.

WITCAM has carried out seminars, conferences, mentoring programs that have trained, equipped women on intercession, kingdom building, and the apostolic mandate etc. Our FREE TO SERVE manual and other resources have been used to train so many women who truly now know who they are in Christ and walk in that light. They are confident, fearless and wise. The word of God taught in our meetings has brought Godly reverence to the lives of the women. By the Holy Spirit, we have been able to hear the instructions per time as concerns what to pray for our lives, families and nation.

In conclusion the Lord has been faithful to WITCAM. The walk has not been a smooth one but by the grace of God our number is increasing steadily as more and more women are joining the vision. God bless WITCAM. Happy 20th Anniversary WIT!

## "I Am A Testament Of The Grace Of God"

Joyce Ashindu-Muga  
(Country Director, WIT Kenya)

January 2012, remains entrenched in my mind, a 23year old girl – barely a few months in marriage walked in the 2nd last day of the FREE TO SERVE Conference in Kenya.

“If only you can press in further to know how deep the Heavenly Father loves you!” These words made me weep weeks later, desiring to experience His love; I was broken-hearted and my identity shattered. Strangely wanting more, but with no capacity or ability to know how to achieve this.

Currently as the Country Director of WIT Kenya, in a leadership role at World Vision International, a wife and mother of four; I am a testament of the grace of God over Women in Tune. The 20years in ministry are worth it.

From the place of brokenness to being restored and as the journey to maturity in Christ continues, we have been channels of fulfilling the Great Commission, raising/discipling leaders and women in Kenya, and have witnessed divine transformations in many churches and communities in Kenya.

We are more excited about the next phase of the ministry – when we will witness the kingdoms of this world became the Kingdom our Lord and of His Christ, and He shall reign forever and ever.

## Women Have Been Taught The Truth Of God's Word

Apostle Christine M Lwero  
(Country Director,  
WIT Uganda)

My Name is Apostle Christine Margaret Lwero, Country Director for WOMEN IN TUNE Uganda. I have been part of Women In Tune since 2009 to date.

The WIT President, Apostle Wallace, came to Uganda at a time when I was rising up as a women leader in the nation and I was working with most of the outstanding Women's Ministries in the country. When I heard the message, it caught my attention because I had been struggling with some of the things being taught to women, but I had no solution either. It was a very frustrating situation. I loved helping myself and other women but I was clueless.

Then God brought WIT to Uganda! When we started planning for the first conference in 2009, I had no idea what God had in store for me and other women in this. I thought it was another women's event and the good thing was that Apostle Wallace sponsored it 100%. She did a one-week seminar using her FREE TO SERVE Manual. She handled the most sensitive and painful topics affecting women generally which no other person had ever taught me. Such topics included; Culture, Cage of Fear, Truth about Submission, Redemption of women, women's status as Sons of God and many other issues. I immediately identified the problem in our teachings and why we were not breaking through in Ministry. I have never turned back.

It has been a very difficult but fulfilling journey of self-discovery and helping others to do the same. We started by having prayer meetings once a month just to deal with the strongholds in prayer and then going through the Nation teaching other women the new found freedom.

Unfortunately, many women have fought the message so much because it contradicts much of what they are teaching. It has been a very hard ground which requires a lot of prayer and resilience to continue with the work. In my own church pastors started teaching culture again, as a way of discipling me not to make women rebel. The confrontation has been very real.

It has been a very lonely journey but I give God all the glory for His faithful servant Apostle Wallace for constantly checking on us by calling, emails, triennial conferences and retreats just to encourage us stay on truck. I now value salvation and respect people who pave the way for others. Apostle Wallace has been a very good example to me, especially, when I see the pain that she constantly goes through for the sake of the work of God and not giving up. She is like Apostle Paul in many ways. I call her my Apostle because she has role modelled true apostleship to me. I too have determined by God's Grace to fight on until women are free to serve alongside men, without being prejudiced. A lot of changes have taken place in Uganda and many women have been taught the truth of God's word through the manuals Apostle Wallace provided for this work.

We have more than 150 women who have gone through our training and are teaching the same message in their circles. The work has started to be exciting and we believe that soon Uganda will experience a revival because of the message of WIT.

I am a true testimony to what God has done through WIT to change my mindset which has greatly improved my marriage, family, ministry and the nation at large. Long Live WOMEN IN TUNE, Long Live Apostle Jennifer Abigail Lawson-Wallace. For God and My Country.

# Changes Began To Occur In My Life - Rachael's Testimony

By Sister Racheal Shiloh (WIT Cameroon)

I came to WITCAM when I was shattered, abandoned, rejected, dejected, frustrated, full of anger and my home scattered; I was like cat and dogs with my children. Everybody was full of anger. My husband was going his own way, and I was going my own way with the children. I had been a child of God for 30 years. I had so much confidence in God, but couldn't experience the love of the Father. My prayer and fasting life was just to go before God to complain, cry and blame Him for letting me go through all I was going through. In my young age, I was hypertensive.

But when I came to WIT, the messages were so rich and so edifying, and I was told about the mentorship classes. I started the classes and other personal classes I had with Apostle Comfort [Country Director WIT Cameroon]. During my mentoring classes I discovered that things were leaving my life. The issue of unforgiveness in my life was resolved instantly. Apostle Comfort will lay hands on me and pray, in several occasions and during our meetings, and changes begin to occur. I praise the Lord for all that He used Apostle Comfort and the WITCAM Family to do in my life and family. We are now a happy family. My husband is now responsible and plays with his children. The word of the Lord that I have in me and know is now thriving in me.

# Triennial Conferences

Every three years, all our Country Directors and their teams converge in one Country to evaluate, strategize and rededicate ourselves to God for the work He has committed into our hands. So far, we have had three triennial conferences, two in Ghana and one in Uganda.

We have seen the Lord provide greatly, and often miraculously, for this enormous task of bring the teams together in one country! We are convinced, however, that these triennial conferences have contributed to the success of the ministry. Our next triennial conference takes place this year, in Kenya,

## This Is Just The Beginning

Justice Jane H A Quaye  
High Court Of Ghana

The Ministry of Women in Tune (WIT) always reminds me of the parable that our Lord Jesus told about the mustard seed.

Jesus likened the growth of the Kingdom of Heaven to a mustard seed which is the smallest of all seeds but which eventually grows into a large tree where the birds of the earth find rest and shade in its branches. From a small and humble beginnings of a vision that God gave to its founder Apostle Jennifer Abigail Wallace, I have watched how by the power of the Holy Spirit this vision has been watered and nurtured and grown steadily to provide spiritual refuge for women all over the world.

We in Africa, and particular, Ghana, have not been left out of its spiritual shade. The trainings from the manuals such as "Free To Serve" have impacted my life positively and the lives of many women.

I hear by the Spirit that though WIT is 20 years old this is just the beginning of exponential growth and increase as God continues to spread his Kingdom in the hearts of humankind using WIT. I say congratulations to the Reverend Cobby and Apostle Jennifer Wallace on the occasion of this laudable milestone. Hip hip hurraaaaay!

I give God all the Glory for giving me the grace to meet the Woman of God Apostle Jennifer. It's Really a Great Joy. The Ministry of Women in Tune is led by Apostle Jennifer, a Great Prayer Warrior. When one attends her meetings, you can see the passion she has for God. She brings women together to pray for themselves and pray for the nations.

I have learnt so much from these meetings and they have had a great impact in my life. The teams are so supportive of those who attend the meetings. There are some women who are so supportive to Apostle Jennifer. GOD BLESS THEM ALL and they should have it in mind how God holds them close to His heart. When Apostle Jennifer preaches, she makes you understand that there is work to be done in the kingdom that we have to take up where JESUS left. We gather to pray, it's with such a passion you will really feel the presence of God.

The last meeting that I attended, Apostle Jennifer said the whole world is groaning and wanting to see the manifestation of the sons of God. That the sons do not seek their own they see the things of Christ. This made me look at my position in Christ in a different way. The WIT teachings have given me revival in my life. John 15:14 tells us that we will be His friends if we do what He asks us to do. Let us all together, as we have been taught in these meetings, glorify God. May God BLESS and HELP US ALL BY HIS GRACE. And May God BLESS Apostle Jennifer and Lift her from GRACE TO GRACE everyday of her life. In JESUS MIGHTY NAME!

Sis Veronica Eduamah  
WIT Ghana

### **By Pastor Jackie Magloire, WIT Partner (UK)**

On the 20th Anniversary of Women In Tune (WIT), I shout ‘Hallelujah!’ All glory to God!

WIT is truly an inspiration to many – from receiving encouragement, great teachings, equipping others to be Kingdom-minded, but especially, to know God’s love and going deeper in the knowledge of God. At any WIT meeting you never leave without being challenged, but always inspired.

During my time with WIT, many lives were changed by the anointed teachings! I have loved being part of WIT where my faith and love for Jesus grew and grew. It was also wonderful to walk alongside Apostle Jennifer and the teams – people who are absolutely sold out for Christ! The ministry is rich in teaching resources and one of my personal one is “Discovering Identity and Purpose” which empowers and equips women to be effective in the Kingdom. To really know who you are in Christ is revolutionary! This was so effective in my life and lives of many women who heard it. I won’t say anymore, just get a copy!

I thank God for this ministry for indeed it took root and grew into a great apostolic and prophetic ministry. I pray the Lord continue to establish His goodness, faithfulness and great grace and mercy towards Apostle Jennifer and the ministry that is Women In Tune.

**Congratulations Women In Tune! Hooray to the next 20 years!**

## **Listening, Hearing, Obeying And Passionate**

By Rev Alfred Amarquaye, East Ham Elim Pentecostal Church, UK

These are the words I would use to describe my experience with Apostle Jennifer and WIT.

She listens to God’s voice constantly and hears what He has to say to the church of Jesus Christ and the world at large. Not only that, but, as the scripture says “Do not be hearers only, but be doers,” she makes sure she delivers what she has heard and that is why she has had a great impact.

Her obedience to the call, initially to women, has led her to several countries where she has brought the transforming love of Christ to people who felt worthless at first, but on hearing the message from her lips, had given them self-worth and significance. Her teams are carrying on the work and making disciples all over the world.

I believe that we need to pray that our churches should become far more passionate like WIT about sharing the good news of Jesus. We will never change the world unless we acquire some of Paul’s passionate longing for other people to follow Christ, just as Apostle Jennifer and WIT are doing.

## Repairers Of Broken Walls

From Noel & Joyce Allotey,  
(WIT Partners) UK

Wow, 20 years of God's faithfulness. Indeed, God is good. Glory to our God Most High.

When we think of Women In Tune, the Scripture that comes to mind is Isaiah 58:12.... "You will rebuild the ancient ruins and will raise up the age-old foundations; you will be called Repairer of Broken Walls, Restorer of Streets with Dwellings."

This is what you are, WIT. WIT has rebuilt ruins, raised up foundations, repaired and continues to repair lives, and are restoring generational walls so that posterity will continue to serve our Almighty God.

Praise be to the King of Kings. Our biggest and most fulfilling joy is in what WIT has done for the body of Christ as far as women in ministry is concerned. The body of Christ, although aware of us (men and women) as equal, yet have allowed cultural influences to permeate the role of women in ministry. Thanks to the work of WIT, women have found their voice and place in ministry and are fulfilling God's mandate for us.

In the 20 years we have known WIT, this ministry has tirelessly gone to nations, taught in remote villages, fed the poor, clothed the needy, healed the sick, given teaching resources, used prayer walks etc. to push back the kingdom of darkness and bring light and revelation knowledge to women from all walks of life.

So today, we really want to thank Almighty God for His endearing love, His provision, His protection, His faithfulness, grace and strength, and for the WIT team. If any Pastors have had opportunities to quit, it will be more the WIT team.

Today as we celebrate God's faithfulness, we also want to say a VERY BIG THANK YOU. For the unquenchable flame that you have lit in the nations by the power of the Holy Spirit. It's our prayer that in the coming years, we see more of God's glory dominating the earth as women take their rightful places in God's kingdom. Amen.

It is amazing to see what God has done through Women in Tune in its first twenty years.

What an incredible achievement and what a vast number of lives around the world have been changed! I've watched it grow from its beginning until now and the hand of God has been evident from the outset.

Congratulations and may God grant you many, many more years, and many, many more changed lives.

**Dr Hugh Osgood**  
**President, Churches in Communities**  
**International**

## THE GREAT COMMISSION

One of our favourite sayings, as Women In Tune, is that *"If the Great Commission is not fulfilled after everything we have done, we would have failed."* Therefore, fulfilling the Great Commission of Jesus Christ is the plumbline of our ministry.

*[Matthew 28:18-20]*

Indeed, through the enablement of the Holy Spirit, the Gospel has been preached to thousands, and tens of thousands have been or are being disciplined, thus, building and edifying the Church! Our focus now is on national transformation and reformation – to see not just individuals, but communities, societies and nations transformed by the Good News of Jesus Christ.

## Happy 20th Anniversary Women in Tune

From Pastor Linda Patton, Seedtime and Harvest Ministries.

Praise You Lord! Father we give You thanks for Your 'end-time handmaiden', Apostle Jennifer Abigail Lawson- Wallace, who heeded Your call to launch Women in Tune 20 years ago. Throughout these 20 years she and her team have successfully trained scores of women who are making an impact against the powers of darkness that hover over nations. A great army has emerged.

*The Lord gives the command [to take Canaan]; The women who proclaim the good news are a great host (army). Psalm 68:11 (AMP)*

Apostle Jennifer is certainly an anointed vessel with an apostolic calling; stepping out much before many dared to do so. All God needs is a yielded vessel to respond to the call “*Who will go for us?*” She answered, “*Here I am Lord, send me*” (Isaiah 6). Father, You have been faithful all these years to work together with signs following. Your partnership with Women in Tune has been a winning combination.

Apostle Jennifer saw the need and was determined to fight her way through all obstacles, challenges and barricades to see the landscape of nations changed. Through the Covid-19 pandemic, she did not let this stop her, but she learned new skills to continue to reach the nations via zoom. The meetings by zoom were very successful seeing in one conference over 20 nations attending.

Apostle Jennifer has a passion for preaching the Gospel and fulfilling the Great Commission. Her mission is to sow seeds which salt the earth; reaching, teaching and releasing women into their God given callings; training ministry leaders; thus training nations to reach out to transform our world.

From its inception Lord, You have enlarged the place of their tents and shown the world what women can do by abandoning themselves fully to the Holy Spirit. Women in Tune have gone into the remote areas on earth teaching, encouraging, disciplining, teaching, raising leadership and activating prayer. Through these years of service Apostle Jennifer and the team have encapsulated and set free the bonds of wickedness in and over nations.

Words cannot adequately describe her selflessness. Apostle Jennifer is always ready and willing to give her time, wisdom and resources to give others a helping hand up the ladder of success in their callings and seeing more and more ladies respond to their callings. Words cannot adequately describe her selflessness.

Apostle Jennifer is always ready and willing to give her time, wisdom and resources to give others a helping hand up the ladder of success in their callings and seeing more and more ladies respond to their callings. She refuses to let the enemy steal the next generation of women with a great call on their lives.

Women in Tune exist to help thousands of women step into new dimensions of living for God they never dreamed possible. In the years since encountering Women in Tune I have been greatly inspired, encouraged and seen many women restored and released to serve Him. And I believe we haven't seen anything yet! A great army of women are emerging to take back what the enemy has stolen.

## One Of My Testimonies With Women In Tune

By Velleena Dunn, WIT Partner (UK)

I became aware of Apostle Jennifer and her intimate relationship with the Lord before I even met her. I then met her when my then boss invited her to one of our Intercession Evenings. Following this, I started to attend Women in Tune events which to me were so inspiring. I later became involved with the Quiver Prayer Movement and encouraged ladies at my church to join me in starting a Quiver Prayer group, which we did and have continued doing to date.

I have enjoyed a host of training such as Prayer Training, Spiritual Warfare Training, Mentoring Sessions, Retreat Days, Prayer Nights, Conferences and not least of all the quarterly Quiver Breakfasts – lets have those again please Apostle Jennifer!

It is encouraging and exciting to see the work that Women in Tune do to build the body of Christ here and in Africa. I can testify that my knowledge about the warfare that is waging in our world has increased and I have been encouraged by WIT to get involve in praying against it through the training received from Apostle Jennifer.

One highlight of being involved with WIT was when Apostle Jennifer and Pastor Jackie were due to go on a mission to Uganda, and the trip looked as though it would have to be cancelled as the funds needed were not forthcoming. Apostle Jennifer sent out a WhatsApp appeal and I felt prompted by the Holy Spirit to sow into the mission. It broke my heart thinking that the mission would be cancelled, because I knew one Pastor there was so looking forward to Apostle Jennifer visiting. What happened next was amazing, I had the privilege of an insight into how our prayers and faith impact the spiritual warfare waging in the invisible realm.

What touched me the most was the faith of the servant of God in Uganda, who was praying with great faith for a breakthrough from God, that Apostle Jennifer would be able to visit his area. His faith was so strong, and he was so sure that God would make it happen. God answered his prayers and allowed me to share in the pleasure of the outcome, as well as in his thanksgiving. He did everything he could in prayer as well as in his natural ability for the trip to happen. He was financially poor in human eyes but rich in heavenly wealth, praise God. This reminded me of the Prophet Daniel when he fasted and prayed for 21 days, and the Angel shared with him about the warfare that he had engaged in to get God's answer to Daniel's prayers through to him.

Thank you, Apostle Jennifer, and Team. I would encourage anyone seeking good ground in which to sow financial seeds to sow into the ministry of Women in Tune.

# Congratulations WIT

From Rev Fred & Dr Mrs Agatha Aboe  
Tehillah Generation Church Ghana

Congratulations Women in Tune! Congratulations Apostle Jennifer Lawson-Wallace!!

We remember when Apostle Jennifer started this wonderful ministry, reaching out to mostly women to give us God's word that women form about 50% of the workforce in the kingdom of God and yet most women were not up to their task for various reasons and she called on women to get up, take our place and work on.

We supported her in many little ways we could and encouraged her to press on. Today, WIT is in many countries with many women doing great things in the Kingdom of God in their own big or small ways.

Greater things are ahead for WIT. Keep the torch burning and hold it up high. We are proud of you Apostle Jennifer Abigail Wallace! We are proud of you WIT.

## Working With The Body Of Christ

To the glory of God, WIT now works in partnership with several churches in the nations where we operate. Many of these churches have seen revival break forth and new branches opened, as a result of their partnership with WIT.

Another marvellous thing about working with the Body of Christ is that many men now attend the WIT meetings and trainings, after seeing the transformation in the women around them! They acknowledge that our teachings are for the Body of Christ, not just women!

By God's grace, we have also found favour with Global Disciples (East Africa), giving us the opportunity to disciple the Church in some of the unreached parts of Africa. We are truly grateful to God for these Kingdom-minded Church Leaders who work in partnership with WIT, for the sake of Jesus Christ and His Kingdom.

## "WIT in Samburu Now Means Good News"

Rev Lucas Nchurai Anoiya  
Senior Pastor,  
Christ Transformation  
Centre, Maralal

Women In Tune's mission in Maralal Samburu County, Northern Kenya is a great story. In 2019, WIT, headed by Apostle Abigail Wallace, held a powerful conference in Maralal. Though the conference was initially meant for women, many men were also allowed to attend the Gospel meeting. The Church Hall was packed with people and those outside were more than the ones inside, to the Glory of God. Apostle Abigail was the main speaker. Her messages have impacted and transformed not only women in Samburu but also men.

Many women who thought they would serve God behind the scenes, are now on the forefront in mission and ministry work. Women In Tune also distributed much food to everyone who attended the conference. The mention of Women In Tune in Samburu now means good news because of much grace, warmth, love and delivery of the Gospel of hope and deliverance. Many times, people ask me, when is the next Women In Tune mission? And I have been contacting Joyce Ashindu Muga (WIT Kenya Country Director), a great servant of God, to plan for another conference yet in Maralal. Now as a result there are women praying in this area.

On the one hand, it is like Women In Tune were specifically sent to me and my family. The many prayers and encouragement have helped us to move on even during the worst trying moments of our lives.

May the God of heaven, the Father of our Lord Jesus Christ, bless Apostle Abigail, her family, and all Women In Tune in the globe with more grace and favour to continue doing the job granted you faithfully, and finish well. Congratulations in your 20th Anniversary in Jesus Name, Amen.

## WIT And Revival In Northern Kenya

Bishop Simon Ndori  
Christ Transformation  
Church, Kenya

Women in Tune partnered with the local pastors to host revival and discipleship programs for the Church and women in Northern Kenya for the first time in 2019. More than ever before the Body of Christ in Northern Kenya is committed to proclaiming the good news and women interceding for their communities as a result of the impartation by the servant of God Apostle Jennifer Wallace.

In all these programs, WIT has ministered both in Word and in kind (foodstuff & clothing) and we have experienced the tangible love of God through this ministry.

These programs continue to be held in Maralal and Marsabit towns among the women both young and old. The revival strengthened the faith of the Church & believers. "we thank you for revival in our area" said the women. We saw young women being encouraged and the great commission fulfilled through them since the introduction of 'Free to Serve'. Churches have increased; we have had to add more than 10 churches in Maralal town alone since the introduction of WIT.

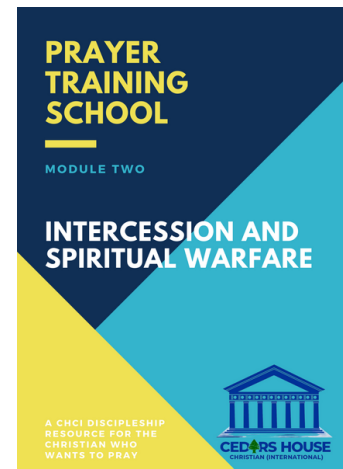

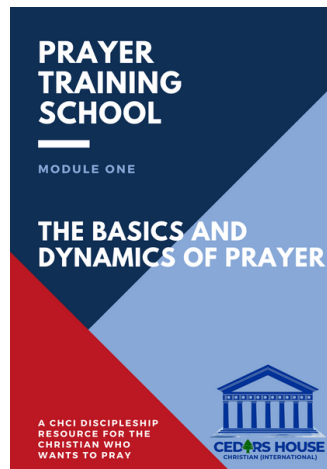

Warring tribes and communities have been healed; families have been restored and delivered. For the past ten years we had never had a revival and prayer meeting as the one we have experienced, these is a fresh move of God that has resulted to both spiritual and numerical growth in our local churches, 'a powerful revival like we had with WIT said Pastor Anoiya We appreciate the work you did to support and bring the impartation to the body of Christ and to our denomination and we need WIT more than ever before.

# Prayer and Intercession

Apart from our discipleship trainings, seminars and conferences, etc, WIT has been actively involved in raising intercessors and mobilising intercession for the nations.

## Prayer School

Prayer is one of our primary agendas of our ministry, therefore, through our Prayer School, women are taught and equipped to pray.

## QUIVER

In 2010, we launched QUIVER as a strategy to mobilise women to take on the prayer burden of their families, communities, cities, Churches and nations. Currently, we have 1000s of QUIVER groups in the nations. Only eternity will reveal what has been achieved in the nations as a result of the prayer agenda and activities of WIT. You may find out more about QUIVER from our website: [www.quiverprayermovement.org](http://www.quiverprayermovement.org).

# My Journey With WIT: A Daughter's Perspective

Nobelle Wallace  
Director, Women In  
Tune Youth UK

## The Past

I was nine soon to be ten years old when Women In Tune was launched in our home by my parents Apostle Jennifer and Rev Cobby. I remember the day vaguely, there were people sitting in our living room, they sang, they prayed and my mother shared the vision. No doubt my brother Richard and I sat there bored, as we would have preferred to be playing or watching TV or doing anything else a nine year old and six year old would've been interested in at the time. We were too young to have understood a vision with the gravitas and weight of Women In Tune, but with time, maturity and experience this changed.

Growing up I had no real in-depth understanding of the ministry and I was uninterested in getting involved; as can be the case sometimes of children with parents in leadership (Pastors, Apostles, Prophets etc). However, I was grateful for the fact our parents also had no desire to force or coerce us into serving in the ministry. I believe my mum knew deep down that I would eventually 'come'. I am grateful because during those years I had the space to mature within the things of God, without too many glaring eyes on me. Essentially my brother and I were 'shielded' by our parents where ministry was concerned and as a result, we desired to know Jesus and to serve Him through autonomy, understanding, knowledge and a personal relationship with Him, rather than through obligation or trying to please our parents.

It is through this personal relationship with Jesus Christ that I later felt the 'pull', the 'call' the 'responsibility' and the sense of 'purpose' to serve within WIT. The Lord spoke to me personally in 2019 and opened my eyes to see just how great the ministry was. I saw the magnitude of the work and resources, I

observed my mum, Apostle Jennifer's determination, focus, passion, tenacity and love for Jesus and His people, I observed how women's lives were being impacted and transformed; it all blew my mind. Internally, the Holy Spirit was also developing a sense of urgency and responsibility for me to obtain my spiritual inheritance within the ministry, and it was a feeling too great for me to ignore. That's a whole story in itself; perhaps I will share another time

## The Present

Now I can say I proudly serve within Women In Tune in a communications, publications and administrative capacity and not only that, I am the Women In Tune Youth Leader for the UK, as I have a heart for the Youth. Within three years God has moulded and shaped me through this ministry. I have grown in the Word, in prayer, in confidence and grown in my understanding of the Great Commission. I have grown in my understanding of purpose and believe I am walking in the will of God. I have developed life and professional skills that I could never have gained elsewhere and have experienced 'iron sharpening' from the women of WIT and WITY. The journey to me getting to this place hasn't always been smooth, and I am still growing, but it has been fruitful and I couldn't imagine my life without being a part of WIT.

Women In Tune changes people's lives. It's as simple as that. I observed it growing up and experienced it for myself as an adult. You don't reach 20 years as a ministry if you are not truly impacting lives with the message of the Gospel. And it is a true testament to the leadership of Apostle Jennifer.

This is a lasting work, which is why God has taken His time to lay a solid and deep foundation, and in 2022 He's saying it's now time to build. After 20 years it is now time to build?! Wow! I can only imagine how many generations of lives this ministry will touch.

Lord may you continue to bless and establish WIT. May the light of Christ continue to shine upon and through the ministry. Thank you Lord for your faithfulness, grace, mercy and love towards our family and this ministry. We honour you, in Jesus' Name.

Happy 20th Anniversary! Cheers to the next 20 years!

# The Next Generation

Praise God, we also started Women In Tune Youth!!! The purpose of WIT Youth is to raise a new generation of young women who are passionate about Jesus Christ and who will be bold and courageous to reach out to others with the Good News of His Kingdom.

As the LORD enables us, we are going to continue with everything that we have been doing, and more. However, we are going to put a greater emphasis on reaching out to and discipling the next generation.

“For He established a testimony in Jacob, and appointed a law in Israel, which He commanded our fathers, that they should make them known to their children; that the generation to come might know them, the children who would be born, that they may arise and declare them to their children, that they may set their hope in God, and not forget the works of God, but keep His commandments.” [Psalm 78:1-8]

Most of our efforts to reach the next generation will be made through WIT Youth. Through WIT Youth, we are working to build a community of dynamic women to carry the torch of WIT to other nations and generations.

Visit the WIT Youth website to find out more about what we do: [www.wity.womenintune.org](http://www.wity.womenintune.org)

# Publications

So far, four books have been published – “FREE TO SERVE, GOD’S LIBERATED WOMAN,” “DESIGNED FOR PURPOSE,” “SONS OF GOD” and “WOMEN WHO MET JESUS.” Several eBooks and training manuals have also been published, as well as a quarterly newsletter: WITNEWS.

# Let The Truth Be Told

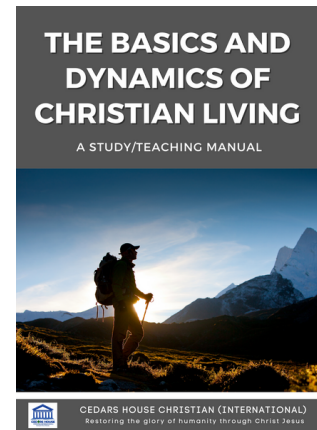

In 2017, we launched LET THE TRUTH BE TOLD to bring the truth of God’s word to the Body of Christ. Currently, we have a YouTube Channel, Let the Truth Be Told TV, where videos of teachings on various topics, e.g., knowing the Holy Spirit, can be freely accessed. In 2021, we launched Let The Truth Be Told on Podcast.

# Resources

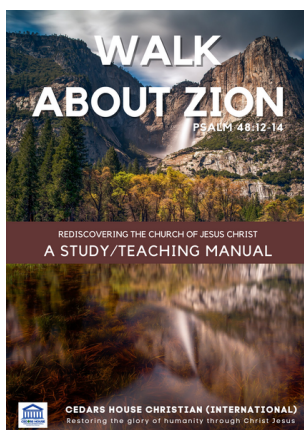

By God's grace and to His glory, we have developed and run several discipleship trainings for women (and men and the youth). The following are some of the trainings we are running in the villages, towns and cities of the countries we operate in.

**The Basics and Dynamics of Christian Growth** Series is a basic discipleship resource to help and enhance our Christian growth, walk and life. This explores and affirms our foundational knowledge about God, relationship with Him, and the basic expectations of the Christian Faith.

**Free To Serve** is a strategy to recruit, train, equip, empower and release women to fulfil the Great Commission; the training is being run even in villages in the nations where WIT operates! The FTS manual has been translated to Luganda and Kiswahili, and we are hoping to translate it to other languages soon.

**Discovering Identity And Purpose Training** is also a strategy to raise, empower, train, equip women to discover who they are in Christ, and rise up to become more effective labourers in God's Kingdom. The DIP manual has also been translated to Luganda and Kiswahili.

**Walk About Zion** is a study/teaching resource to help Christian Leaders and all believers to rediscover the Church of Jesus Christ. This training gives insights into the identity, purpose, mandate, mission and function of the Church on earth; its purpose is to enable and empower the Church in the nations to rise up and fulfil her destiny as the Body of Christ. The training comes with a Teaching Manual and Study Manual for personal and group use.

Other training resources include **Building The Kingdom Of God In The Nations** and the **Women Leadership Mentoring Programme**.

# A Young Woman's Journey With Women In Tune

By Cecelia Mutuku (Director, Women In Tune Youth Kenya)

Having been a part of Women In Tune for 5 years; I have endless stories to tell about how greatly WIT has personally impacted my walk with the Lord. I joined the ministry in 2017. Encountering WIT and their passion for the Lord Jesus Christ made me realize that my understanding of who Christ is, my identity, and my purpose in Him was very limited. WIT had something special. They radiated the glory of Christ! God's presence wasn't only something that they only talked about, it was evident! I desired to be part of that and that's how I ended up becoming a Woman In Tune.

## Discipleship

There is a lot that I can point out but let me pick out just a few. Being a woman In Tune and walking the journey opened a great door for me to be discipled. As a young woman, and not having been properly rooted in things pertaining to the Kingdom, I knew very little about the basics of what really being a Christian meant. Who God is and how I am supposed to relate to Him. Who Christ is and who I am in Him. Who the Holy Spirit is and how am I supposed to corporately with Him in day-to-day life as a believer?

Who is the church? What is prayer and why do I need to pray? What is my position as a woman in the body of Christ? How do I study the Word? What is God's Kingdom and how do I conduct myself as a citizen of the Kingdom? These and many more have been

addressed over the years. Yes a lot of work is still going on in my life as I grow as a follower of the Lord Jesus Christ but I can confidently say that I am not where I was in 2017.

As women, most of us are greatly lost in the area of identity and purpose. That was an area of great confusion for me as well. Who am I, What is my purpose? How could I even serve God's purpose effectively amidst the confusion? Identity and Purpose came as part of the initial teachings when I joined Women In Tune. "If the purpose of a thing isn't known, it can be misused" Now, as a young woman, I am walking in awareness of my identity and purpose in Christ.

As we become rooted and grow, then we build others and the Kingdom grows.

## Love

Love for Christ and one another is evident. One can easily sense a deep and genuine concern amongst team members. The love for Christ among the women and desire to grow in love and in fellowship. It extends deeply from the ministry to individuals which creates a conducive environment for spiritual growth.

## The Spirit Of Excellence

The Spirit of excellence in women in Tune is like a mark that never fades. There is grace to give the best in whatever is at hand. Going past barriers, learning, and exercising a spirit of excellence like Daniel! (Daniel 5:12)

## Devotion to Christ

A deep devotion to Christ defines Women In Tune. Having and knowing Christ as the head of the church. There is a continued desire to please the Lord, have communion with Him, and continually be transformed to His image. Having an unwavering zeal for the matters of the Kingdom. There is a consistent urge to be drawn to the place of a personal encounter with the Lord Jesus, far deeper beyond the general knowledge of who the Lord is. As we get yielded to Him, then obedience and response to His Kingdom assignments become a lifestyle.

## Confidence

How about growing in confidence? As we get discipled and know who our Father is, our confidence grows! There are so many testimonies by different of us in WIT on how timid we were but as we get trained in the ways of the Father and walking in the Holy Spirit, we grow in boldness. Boldness is only achieved as we learn and embrace who we are in the Lord Jesus.

## The Mission Field (Matthew 28:18-20)

Before I joined WIT I assumed that the work of sharing the Gospel was mainly centered on the fivefold ministry. Little did I know that the Lord was actively calling us to fulfill the great commission . I have been able to go to the missionary field and be part of the harvest. Actively praying and living an intentional life sharing the Good News with whoever the Lord places in my sphere of influence.

## Resources

In WIT we have different resources which are critical in building the church in such a time as this. They have all been availed in different platforms; Websites, Facebook, Whatsapp, Instagram, email, -‘daily devotionals’, YouTube channels, ‘Let the Truth be Told’, books among others. We also have QUIVER; an initiative aimed at calling upon women to spearhead the prayer movement that will bring revival in these days! What exciting times we are in, indeed! God is placing a burden and mantle of prayer and intercession for the nations upon His daughters. God is raising, rallying, and uniting women to prayer.

## QUIVER

QUIVER was originally started to mobilize women in the UK to prayer but is now growing in many nations.

## Women In Tune Youth

There is an urgent call to raise the next generation of young women. To raise a global army of Young Women who are passionate about the Lord Jesus Christ; faithfully worshipping and serving the Lord Jesus Christ.

**Psalm 78:4 NKJV**

*We will not hide them from their children, telling the generation to come to the praises of the Lord, and His strength and the wonderful works that He has done.*

WITY is the youth ministry of Women In Tune, a ministry with a mission of restoring the purpose of women and empowering us through Jesus Christ. The purpose of WIT Youth is to raise a new generation of young women who are passionate about Jesus Christ, and who will be bold and courageous to serve the Lord, by influencing and impacting the world around them, and fulfilling the mandate in Isaiah 61:1-4

**Training The Trainer Programme**

In 2022, A great door has opened up, “ Training The Trainer Program” which is aimed at fulfilling the words in Timothy.

2nd Timothy 2: 2NKJV

*"And the things that thou hast heard of me among many*

*witnesses, the same commit thou to faithful men, who shall be able to teach others also."*

Come and let’s walk the journey together.

**Conclusion**

What do we say then on our 20th anniversary? We lift our eyes to the Father and say thank you. All glory Lord, You deserve it.

Thank you Apostle Jennifer and Pastor Cobby Wallace for your diligence and obedience to the Lord. We appreciate your family for the unending support. Thank you Country Directors, WIT board, Cedars House Christian (International), WIT, WITY, Ministry Partners, and friends who have laboured for the last 20years. God bless you.

Hallelujah! The work continues. We press on! On and on to the brightness of the day at our Lord’s coming.

# An Opportunity To Invest In Women In Tune

The work of Women In Tune in the nations is sponsored by a small group of faithful financial partners, who give generously and selflessly to ensure the work continues. We are offering you an opportunity to join this group of Kingdom investors, to enable us to expand our work.

If you're interested, you may give by making a one-off donation or regular monthly donations by standing order.

**Email us to find out more or to make a donation:**  
**[info@womenintune.org](mailto:info@womenintune.org)**

**Alternatively, you may give by clicking on**  
**"Donate" on our website - [www.womenintune.org](http://www.womenintune.org)**

## Grateful For Apostle And The Ministry Of Women In Tune

Evangelist Stella Mutisya (WIT Kenya)

First would I love to thank God for His Faithfulness and Grace of salvation and calling to His vineyard. Again, I would love to thank Him for the opportunity of encountering His Servant Apostle Jennifer Wallace some years back in one of the meetings held in our country by Women In Tune Kenya. I do remember listening to her teaching about "FREE TO SERVE" with a lot of enthusiasm, wisdom, intelligence and great revelation of the word of God demonstrated, with a lot of love in her speech and teaching. Teachings that give liberty and set women free to serve their purpose. From that day I went home with a different knowledge of ministry and my purpose as a woman.

I remember the word she personally gave me in one of the meetings. Jeremiah 31:3-4 "...Yes I have loved you with an everlasting love, therefore with love and kindness I have drawn you. I will build you...." This particular moment I was very down in ministry wondering whether I was still in God's calling; she has built my prayer life, corrected me in the things of ministry through her online teachings, which I will forever be grateful and thankful to Apostle and the Ministry of WIT for. I have learned to put God first in ministry, loving His people as I serve Him.

Apostle loves people, God's people, something I am still learning from her. I learned to study the word of God from her. I no longer do ministry the same way I used to do but better and with the Holy Spirit's guidance. I have learnt the purpose of the Holy Spirit in my life as a believer. I love and admire her selfless service to God's people, reaching people in the most remote area of our nation, meeting their physical and spiritual needs. She is a great mentor in ministry to many both women and men. May the good Lord bless you, Apostle, your family and ministry. Thank you

## I Began Loving God As My Father

Apostle Kusiima Annet Kirabira  
(WIT Uganda)

Praise the name of the living God, saints. My name is Kusiima Annet Kirabira.

I believed Jesus Christ to be my personal saviour in 1983, when I was a younger girl. I've moved with the Lord and served Him till now. Through all those years as a lady serving the Lord was not an easy journey, not until I was involved in one discipleship training, organised by Bishop Joshua Lwere and Apostle Christine Lwere, at Bwerenga, in Entebbe, Uganda. I attended this training for two years, in amidst of which I happened to meet Apostle Jennifer Wallace for the first time.

Oh my God, WIT, was birthed into my life. The teaching I got from Apostle Jennifer Wallace, changed my life totally, I discovered my identity as a son of God, fear left my life, I came to know that I am also very important in the kingdom of God. I began loving God as my Father. Because of WIT and the teachings, serving the Father was no longer a burden, because I learnt about how I can freely serve.

Oh my God, my spiritual, physical life changed; I am no longer the same in Jesus' name. Even I also got married at age 50 years, because my prayer life and faith grew. I learnt how to pray through QUIVER Prayers, where the word of God is second to no one.

Thanks so much our dear Mom Apostle Jennifer Wallace for the love and effort, may the Lord bless you and reward you.

# Training The Trainer Programme

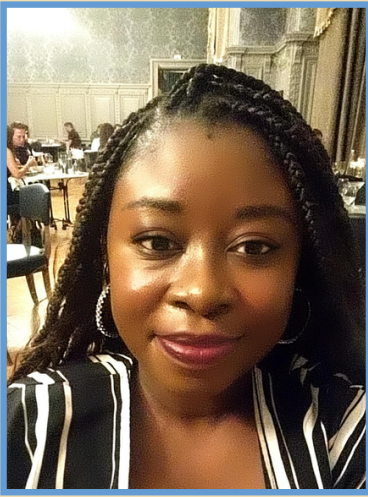

*“And the things that you have heard from me among many witnesses, commit these to faithful men who will be able to teach others also” [2 Timothy 2]*

The Women In Tune Training The Trainer Programme (WIT TTTP) is a strategy to recruit, restore, raise, reignite and release women as Kingdom leaders in God's harvest-field.

Our vision is a global army of women, faithfully worshipping and serving Jesus Christ. Through our TTTP, we aim to enlist women to serve in the Lord's army, restore their identity and purpose in Christ, empower them to know the Lord Jesus and His Kingdom, activate them through prayer and a fresh encounter with the Holy Spirit, and release them to serve the Lord.

For more information, a free brochure or if you would like to register, kindly visit the WIT website at [womenintune.org/tttp](http://womenintune.org/tttp) OR the WIT Youth website at [wity.womenintune.org/tttp](http://wity.womenintune.org/tttp).

## How WIT Has Changed My Life

By Barbara Adu Darko  
WIT Youth Uk

I am a people pleaser, and I have spent my whole life trying to find acceptance.

For example, I used to always pray to find a 'chosen family' that would fill my emptiness and define what happiness is meant to be, outside of my main family, due to personal issues. Even though I was raised a Christian and attended church regularly I still felt like an outsider at church.

I remember I struggled with self-doubt of being accepted, which led to heartache and believing that bad things were supposed to happen to me, as it's part of who I am. I kept replaying the same questions in my head; Did I believe in Jesus ENOUGH to be accepted? Did I have enough faith to win God's approval? Did God even love me? This was one of the darkest times in my life, as it affected my relationship with my family, friends, work and personal life.

I struggled with my relationship with God until I joined WIT-YOUTH. During my fellowship I was taught how to pray/communicate to God. The most important learning for me was acknowledging HIS love and understanding that my FATHER GOD never let me down and always loved me. I also discovered that trust was something I had to patiently rebuild with God. As my earthly family and friends let me down, my expectations became that God HIMSELF would let me down. However, I have learnt how to come to God just like a little child needing her Father. I needed to realize that it didn't matter how much or how little faith I had, because Jesus, the one in whom I trusted, was strong and would faithfully carry me through. When I realized this, it was such a relief!

Philippians 4:6-16, amongst the many verses and words shared by Apostle Jennifer during our Bible study sessions, this Bible verse resonated with the reassurance I needed from God and made such a big difference in my life. I don't have to keep striving for other people's approval, because I know that I'm already accepted by God. I don't have to worry about what other people think of me. I know that people will let me down from time to time, but God is faithful and won't ever let me down. WIT/WIT-YOUTH has been more than just a resource for me but a community that has helped me flourish, grow with my walk with Christ and shown me how to be steadfast in all seasons.

I am so thankful that God loves me unconditionally and accepts me because of what Jesus has done. I can shout from the rooftops and on the highest mountain to let everyone who reads this know that I have been saved. Our Lord Jesus held me together, I am loved more than I can imagine, I am accepted and not forgotten, my family is on a positive track, I now have my own home, written/published my first children's book and most importantly, I am confident that when seasons change God's faithfulness remains, as HE writes my story.

## It's Been A Blessing To Be Part Of WIT

My journey with Women in Tune/Quiver first began around 2016/2017. I was invited by a friend to London to attend one of Apostle Jennifer's teaching days on Prayer.

Her vision to see multiple prayer groups of 5 ladies joining together in every city to pray for the United Kingdom was shared.

We invited Apostle Jennifer and her team to Peterborough for a prayer for a Prayer / teaching Breakfast. It was well attended, an excited and fruitful time.

Since then, I have continued to be blessed by this ministry and have regularly passed on Apostle teachings to others.

It's a blessing to be part of Women in Tune. Giving thanks to Yahweh for His servant and for grace and favour on us during the past 20 years. And as we continue to seek His face I'm looking forward with expectancy to the next chapter of Women in Service.

**Sister Ileen Haywood,  
WIT Partner, Peterborough, UK**

# I've Learnt That My Identity Is In The Lord

Esther Onyango  
WIT Uganda

Praise the Lord WIT members. My name is Esther Onyango. I can testify to the Lord that WIT has truly impacted my life.

When I joined WIT, most especially QUIVER, I learnt how to raise a godly prayer altar properly. Apostle Christine Lwere has been training us how to read, study the word of God, then pray effectively in the word; this turned my life around concerning intercession, and I've managed to raise other QUIVER prayer groups in my community and church. We meet weekly and monthly to pray and intercede for our lives, nation, body of Christ.

I've also learnt to study the word accurately and teach. The teachings Apostle Christine Lwere teaches on our WIT platform and meetings have helped me discover my identity in Christ which has also turned around my belief system in the Lord. This has also turned around my self-image, to know I am a son of God, loved by Him; I'm not just a mere woman but I'm a valuable person in the kingdom of God, who can stand in accordance to the word of God, act on it and cause positive change in my family, community, nation body of Christ (This energizes my inner man and gives me more confidence to stand trusting more in whom I believed to use me for His glory in the land of the living).

I am no longer timid to stand and do what the Father has called me to do, though in humility. Culture had lied to me that I'm just a mere woman, but through WIT teachings I've learnt that my identity is in the Lord, so I've learnt to rely on the Holy Spirit to prioritize the word of God in my life thus discovering that my identity is in the Lord not culture, money, property and what people say; yet continually walking in humility. I've learnt to live a selfless life for the Lord, when I was taught the teaching about the Great Commission.

Through the teachings I've been healed in my inner man; my soul was wounded because of what society says about who a woman is! I couldn't stand independently, couldn't believe in

myself and blamed people all the time, but right now I know who I am, am able to trust the Father and walk in accordance to His guidance, thus no longer having issues with people; but taking full accountability for my life. When I encounter a failure, I get back to Lord for proper guidance, counsel, search why the failure without blaming others.

WIT has also blessed my husband's teaching ministry. He listens to our weekly teachings; keeps them and treasures them a lot.

As a mother and leader, the teachings have helped me to impact people in my circle – children, intercessors I lead, fellow pastors' wives. Whoever, I get in to contact with concerning ministry, at least the Holy Spirit will remind me of a particular portion of topic to share with them.

I thank the Lord for having enabled me to be part of WIT at such a time and in such seasons. Thanks to my Country Director Apostle Christine Lwere. Mama God bless you; you are such a wonderful instructor. Thanks to our class monitor Pastor Betty Odongo and the WIT Uganda Team. Thanks to Bishop Joshua Lwere for walking with us too. Thanks to Apostle Wallace for the big heart towards women and the kingdom of God. God bless you all.

## CHALLENGES

Over the years, we have faced many, many challenges, but they fade into insignificance, when we consider what God has achieved through the ministry, so far!

We have faced challenges within the Body Christ, especially during the early years, with many church leaders rejecting and undermining our ministry. Thank God, that seems to be changing!

Our greatest challenge as a ministry, however, has always been finance! This is why we are truly grateful for the band of faithful givers who, throughout the years, have supported our ministry.

# Humanitarian Actions

“They desired only that we should remember the poor, the very thing which I also was eager to do.” [Galatians 2:10]

Whenever there has been a crisis, whether personal or public, WIT has been quick to mobilise resources to help. For example, in 2021, the COVID-19 crises in Uganda caused the government to lockdown the country, causing churches, businesses and public transport to come to a standstill; which created a desperate situation for many. Not only did WIT mobilise earnest prayer and fasting; we also mobilised resources to provide food for over 500 families.

WIT has also helped many individuals, families and communities during times of crisis, including paying the school fees of children and shipping used clothing for distribution among the poor. WIT is always ready to step in and act or help whenever there is a need.

# Economic Empowerment

WIT also seeks to empower women financially and economically, through small business initiatives as well as vocational and literacy training. Through the

Cedars House Education Fund, women have received sponsorship to further education. WIT has also started small businesses and farming projects to empower women financially. We are trusting God that He will enable us to do this more effectively and enable us to help more women.

# "I Can Boldly Say I Am A Son, A Royal Priesthood"

I am so grateful to be part of this global army of women, faithfully worshipping and serving Jesus Christ, my life and who I am today is a product of the many teachings from this ministry. Before I joined WIT, I was in church with no understanding that I am the church Christ died for. But today I cannot be limited even by my denomination, because I carry Christ, I now know my identity and authority in Christ. I can boldly say I am a son, a royal priesthood – (1 Peter 2:9)

I have now also known how to pray; I don't shoot wrong arrows and I also know how to prepare for spiritual warfare. The lessons have been pruning me so much to be a new creation in Christ. As a single youth and lady, I have gone through books from the ministry that is directing my life and helping me know what to settle for. The teachings about marriage when we had a marriage and family life conference has benefitted my life, I now know how to go about it.

I just want to use this opportunity to thank the vision bearer Mama Jennifer and Mummy Comfort Atem for allowing God to use them to impact lives. Happy 20th Anniversary to us all and more fruitful years. Amen

Kellypride Abongeh  
WITCAM

# A Renewed Mind

I just wish to thank God Almighty for the transformation of my thoughts pattern via the Holy Ghost. It all started when I came in contact with WOMEN IN TUNE Cameroon. Ever since I came in touch with this group of women, I know my identity in Christ Jesus. That is how I knew I was just playing church and not really involved with the purpose God created me for! I am so excited for this new identity in Christ Jesus that helps me to serve God with a better understanding.

Thanks to WIT for their time and prompt delivery. Glorry!  
Happy Anniversary

Sister Monica  
WITCAM

# "I Do The Work Of God Stress Free!"

With great joy in my heart, I am writing to express what WIT has done in my life, family and my community. With my religious background, I grew up knowing that eternal life was when someone dies and goes to heaven then she will inherit it. I did not know eternal life is God's life that I have inherited in Christ Jesus.

This teaching on Eternal life completely changed my life and the way I serve the Lord; according to Colossians 2:10 which says I am complete in Christ who the head of all principalities and power.

Today, I am a blessed woman because I have allowed Christ who is in me to transform my mind, take away all forms of bitterness, implant His Love in me to love His children indiscriminately.

What I thought I could not do like teaching and leading His children has become a big mystery. I do the work of God stress free because it is not me doing but Christ doing all through me. Gal 2:20

Today, this truth has changed the lives of many women in my locality and they are rising to serve the Lord with joy. Knowing that serving God is not qualification or position, many Christians in my locality have allowed themselves to be used by God and a lot of impact has been happening in their homes, families and churches.

God bless WIT for truth. I am ready to do God's work with joy and wherever He sent me.  
Hallelujah to Jesus. Happy Anniversary

Meme Bridget.  
WITCAM

# Aaron's Rod

*“Now it came to pass on the next day that Moses went into the tabernacle of witness, and behold, the rod of Aaron, of the house of Levi, had sprouted and put forth buds, had produced blossoms and yielded ripe almonds.” [Numbers 17:8]*

It is impossible for us to describe all that God has done with WOMEN IN TUNE, but we can boldly give thanks and glory to Him that what humbly began in our living room is still alive, has grown and is growing!

The Lord has been faithful to His covenant word to us, and like Aaron's rod, WIT has “sprouted, budded, blossomed and produced fruit!” Not only are we producing fruit, but the seeds from our fruit are reproducing in the nations. Women, men, youth and families are being transformed. New ministries have sprung up as women have moved forward to worship and serve God. Yes, WIT has sprouted, budded, blossomed and is producing fruit!

We have no doubt that the coming years will see an even greater move of God with this ministry, to His glory and praise. During the first ten years we saw foundation being laid. The past ten years have witnessed the rising of the ‘building...’ Let's see what the Lord will do with us, as we seek to build His Church and Kingdom in the nations. To Him be ALL the glory! Hallelujah! Amen!

## Appreciation

We would like to thank the following people for their love, prayers and support, over the years.

Thank you to our children, Nobelle and Richard, who have travelled and endured this journey with us. Thank you to all our current and previous Country Directors and Reps and their families, especially Apostle Christine Lwere, Apostle Comfort Atem and Joyce Ashindu-Muga. We shout THANK YOU to all our faithful WIT teams in the nations.

Special thanks go to the following: Richard Lamiadu Lawson Family (Ghana, UK, USA and Australia), Pastor Jackie Magloire, Ivy Lawson, Audrey Garner, Joyce & Noel Allotey, Ann Dunn, Clare Magloire, Ileen Haywood, Dr Hugh Osgood, Mr George Abanyie, Mr Douglas Doe, Rev Alfred Amarquaye, Justice Mrs. Jane Quaye, Rev Dr Michael Quaye, Rev. Fred Aboe, Rev Dr Agatha Aboe, Pastor Linda Patton, Pastor Azuka Gbogboade, Rev Darlene Erbynn, Pauline Jean-Baptiste, Pastor Joe Fletcher, Cade Hannan, Mr Afari Banwell.

A BIG thank you to the endless list of people who have given, prayed for, helped and supported, or attended our meetings, trainings, events, etc. Of course, the list is too long to mention everyone by name, but we would like you to know that we truly appreciate your input in our ministry.

Thank you to the following Churches and organisations: The Cornerstone Church (UK), Grace Christian Centre (Uganda), Global Disciples (East Africa) and Churches In Communities (UK).
